**Introducing PayHub Plus** - a full suite of comprehensive payment tools and solutions designed to help you sell more, make more and keep more. With our payment gateway, you will gain innovative payment solutions designed to increase your profits with customizable web checkout features and mobile solutions. Easily integrate with your solutions and take advantage of the PayHub Plus Gateway features to enhance your business.

### PayHub Plus Gateway Features

#### Dashboard + Reporting

Gain a valuable over-view of your business at-a-glance and choose the Dashboard Tiles you want to see. Access multiple reporting tools that are searchable/sortable, exportable, and easy to use.

#### Recurring Billing

Create recurring plans with setup fees, bill on any schedule, edit plans in use, and manage it all via the portal or via API.

#### Hosted Payment Page

Accept online card payments and ACH payments quickly. Immediately reduce risk exposure with a dynamic, PCI Compliant hosted check out form that is always tokenized for added protection.

#### PayLo Program

PayHub+ is Compatible with the PayLo Program - allowing merchants to charge a service fee to every transaction and giving the option for cash discount.

#### Virtual Terminal

We designed a virtual terminal that looks and performs better than the rest. Our virtual terminal is specially designed to work great on any Internet capable device of any size, including smart phones, tablets, and touchscreen PCs.

#### Encrypted Swipe

Integrate encrypted swipe technology to reduce a merchant's scope for PCI Compliance by limiting their exposure to sensitive payment data. Swipe all transactions without the security risks.
